

Handwritten text in a stylized, cursive script, possibly representing the word "MOM". The letters are formed by thick black strokes on a white background. The 'M' is the largest and most prominent, with a small 'O' above it and another 'O' to its left. The 'O's are simple circles. The 'M' has a vertical stem and a curved top. To the right of the 'M' is a large, stylized 'A' with a vertical stem and a curved top. Above the 'M' and 'A' are several other strokes, including a large 'U' shape and a smaller 'U' shape, which may be part of the word or additional characters.
